Always Loved My Water

You know I've always loved my water
You know I've always loved my H2O
All you mums and dads, sons and daughters
Don't even know you buy your water from me

I sell the water back to the people
Something I bought basically for free
I sell the water back but I wrap it in plastic
And sell it back to you for an extortionate fee

You know I've always loved my water
You know I've always loved my H2O
And now I'm getting ready to retire
Thanks for being so loyally thirsty and needing me to –

Grow your plants
To grow all the food
To grow everything that has ever grown - you're welcome.

Two Corporations own 70 percent, of the water. I'll say that again:
Two Corporations own 70 percent, of the water. I'll say that again:
Two Corporations own 70 percent, of the water. I'll say that again:
Two Corporations own 70 percent, of the water. Ahh!
