Nothing Uglier Than a Tree

There's nothing uglier than a tree
 We've already got so many, how many more do we need?
 There's nothing uglier than a tree
 They're all brown and bumpy, and sticky

I went for a hike, but there was nowhere to park
 I went to the forest, but there was nowhere to park
 I went to my local park, but there was nowhere to park my car

There's nothing uglier than a tree
 A parking space is all that I need
 There's nothing more ugly than a tree
 A parking space is all that I ever really need

If I could only find my keys
 For my massive SUV
