Make a stance is all that we know

They say it's all just a fantasy

We save the earth one TikTok dance at a time
We're the generation that's gotta fix everything.
We save the earth one Instagram click at a time
But I can't subscribe when there's no video to view
We save the earth one TikTok dance at a time
Yeah we're the generation that's gotta fix everything
We save the earth one Instagram click at a time.
I've done my bit for today
